Sherburne County Public Health Community H1N1 Vaccination Clinics

H1N1 Vaccination Clinics are now open to everyone 6 months and older.

Community members with insurance are encouraged to check first with their primary care provider for vaccine availability, as many local clinics do have H1N1 vaccine available. Vaccinations may also be available through local pharmacies.

Please call 763-241-2750 or 1-800-433-5237 to schedule an appointment for an H1N1 vaccination. Calls will be taken M-F, 8:00am to 4:30pm. Vaccination is by appointment only.

Wednesday, January 6, 2010
3:00-8:00 PM

Special Notes for Persons attending H1N1 Vaccination Clinics:

- Persons scheduled to receive vaccination should wear short sleeves.
- Plan to arrive at your scheduled time; early arrivals will be asked to wait.
- Clinics are open to Sherburne County residents or persons within the district of a public or private school in Sherburne County.
- Nasal spray or injection vaccination may be available.
- A parent or legal guardian must be present to sign a consent form for children under 18 years of age and for those over 18 who have a legal guardian.
- Vaccine cannot be given to those with a known allergy to eggs.
- Persons who have been ill earlier with flu-like illness should still receive the H1N1 vaccination and be protected in case they had a different form of influenza.
- If you are ill or have a fever on the date you are scheduled to receive vaccination, please stay at home and call to reschedule your vaccination.
- There is no cost for vaccination at any of the above clinics.
